Lean Organisation Management Techniques

New government supported initiative!

A lean organisation provides the greatest customer value with the fewest resources, a philosophy increasingly important in today's competitive business market. A sound understanding of the concept and benefits of a lean environment, as well as knowledge of business techniques and working in teams is essential. Our nationally recognised qualification is designed to provide individuals with an appreciation and understanding of some key principles of lean organisation management.

Benefits to your organisation

Improves productivity

Full company involvement

Benefits

No need to formally attend a college, meaning that you can learn in your own time

Further your personal and professional development

Receive a set of high-quality learner support materials that will be yours to keep and use as a reference

Achieve a nationally recognised Level 2 qualification

Receive support and guidance from a dedicated team of qualified assessors/tutors

How is it delivered?

Alongside the learning materials, you will have the support of a knowledgeable assessor/tutor who will give you advice and guidance on the course content as well as providing robust feedback on the work you complete.

Successful completion of this course ensures that the learner has fully understood these important principles and evidences knowledge of the subject area.

What is the cost?

Due to the availability of government funding, this qualification may be available at no cost - please enquire. Funded places are limited so please book early to secure your place. Funding is subject to learners meeting set eligibility criteria, which must be provided prior to the start of any course.

Please note that a fee is payable if learners decide to withdraw from the course and do not complete their assessments. Learners must want to independently enrol onto the course.
