# Understanding the Safe Handling of Medication in Health and Social Care

High-quality Learning Resources

Modern medicines are powerful substances which have beneficial effects for millions of people worldwide. However, inappropriate use or handling of these substances can have severe consequences, including death. Having good up-to-date knowledge of the safe handling of medicines is essential for anyone working with medication.

## Benefits to your organisation

Create better preventative care by identifying how to maintain stock and record, store and dispose of medication appropriately

Reduce the risk of malpractice and negligence

Give employees a high standard of learning to support their roles and responsibilities

Relevant to a wide variety of people and care settings

Provide assurances that your employees are well trained

Create a more motivated and engaged workforce by supporting CPD development and possible career progression

Allow employees to gain relevant skills, knowledge and understanding, leading to improved experiences for those using your services

Reinforce the importance of following correct procedures

Improve your team's understanding of the different types of medication and how they are classified

Evidence competency of staff in this subject area to external stakeholders

No cost

**Places limited — sign up now**

# Benefits

No need to formally attend a college, meaning that you can learn in your own time

Further your personal and professional development

Receive a set of high-quality learner support materials that will be yours to keep and use as a reference

Achieve a nationally recognised Level 2 qualification

Receive support and guidance from a dedicated team of qualified assessors/tutors

## How is it delivered?

Alongside the learning materials, you will have the support of a knowledgeable assessor/tutor who will give you advice and guidance on the course content as well as providing robust feedback on the work you complete.

Successful completion of this course ensures that the learner has fully understood these important principles and evidences knowledge of the subject area.

## What is the cost?

Due to the availability of government funding, this qualification may be available at no cost - please enquire. Funded places are limited so please book early to secure your place. Funding is subject to learners meeting set eligibility criteria, which must be provided prior to the start of any course.

Please note that a fee is payable if learners decide to withdraw from the course and do not complete their assessments. Learners must want to independently enrol onto the course.
